

## Privacy and Security Policy

### SCZone Trade Mobile App Policy

Thank you for using SCZone Trade mobile application. This Privacy Policy respects your privacy and explains how we collect, use, disclose, and protect your information when you use our mobile application ("App"), especially with regard to sensitive permissions such as camera and gallery access.

---

#### • Collection of Information

We may collect the following types of information:

##### a. Personal Information

We do not collect personally identifiable information unless you voluntarily provide it (e.g., via forms or contact options within the app).

##### b. Device Permissions

- **Camera Access:** We use your device's camera to allow you to capture photos directly within the app.
- **Gallery/Storage Access:** We access your device's media storage to allow you to select photos or videos from your gallery.

These permissions are used only to provide the intended functionality of the app (e.g., uploading images or verifying identity) and are not used for any background data collection.

---

#### • How We Use Your Information

The information collected via the camera or gallery is used solely to:

- Provide core app functionality (e.g., submitting documents or images)

- Enhance user experience
- Ensure smooth and secure interaction with SCZone services.

We do **not** use your data for marketing or third-party profiling.

---

## • Sharing of Information

We do not share, sell, rent, or trade your information with third parties, except in the following cases:

- **Legal Compliance:** To comply with legal obligations or respond to lawful requests.
  - **Service Providers:** If needed, we may use secure cloud storage or backend services to store uploaded content, governed by confidentiality agreements.
- 

## • Data Security

We implement reasonable technical and organizational measures to protect your information from unauthorized access, use, or disclosure.

---

## • Your Rights and Choices

You may:

- Deny or revoke camera/gallery permissions at any time from your device settings.
  - Contact us to request deletion of any stored data (if applicable).
- 

## • Children's Privacy

This app is not intended for children under the age of 13. We do not knowingly collect personal data from children.

---

- **Changes to this Policy**

We may update this Privacy Policy from time to time.
